education process and develop the school's technical level. In addition, the Board will constantly support talented children and the children in a difficult life situation from poor families or those neglected by parents.

The Board will meet at least once a quarter of a year enabling it not only actively participate in development programs and events of the School, but to assess real results of its performance, and to develop offers to improve the education process and take measures to resolve urgent issues. All that will allow the Board to fully take part in the activity of the Cadet School and become its integral part.
