
Alexander Bastykin holds briefing in Krasnodar Territory

Chairman of the Investigative Committee held today a briefing in the city of Sochi attended by heads of Committee's offices in Southern Federal District.

Mr. Bastykin heard the reports by senior officials of the seventh department of the Head Office and the Krasnodar Territory Office of the Investigative Committee on the results of the operations of the said offices in the past 7 months. He also heard the reports by the officials of the said offices on the progress and results of investigations into major cases. Mr. Bastykin gave some instructions as to the investigation of the said cases.

In addition, he awarded the head of the seventh department of the Central Office Andrei Stryzhakov with a commemorative medal "For Taking Part in Creating Investigative Authorities in Crimea".

Head of Media Relations V.I. Markin
