I sincerely congratulate the students of the Investigative Committee's Academy, the Alexander Nevsky Cadet School and all teachers on the beginning of a new academic year!

1 September is not only the Knowledge Day, but a holiday symbolizing the beginning of a new stage in the life of every one of you. You are going to get acquainted with interesting subjects, to accomplish difficult tasks and make astonishing discoveries.

The desire for something the new and unknown, the desire to grow up and develop lets us achieve the highest result, set aims and pursue them. Remember, that you have joined the ranks of protectors of the Fatherland and this must make a fundamental principle of your life.
