
Akbarzhon Dzhaliyov's contacts identified

The Investigative Committee's Major Cases Directorate in cooperation with the Federal Security Service and Interior Ministry are looking at Agbarzhon Dzhaliyov's circle of connections as part of an investigation in the terrorist attack in Saint Petersburg metro.

The investigators identified several citizens of Central Asian republics who had contacted Dzhaliyov. Their residences have been searched. The items relative for the investigation have been seized and sent for examination.

Official spokesperson for the RF Investigative Committee S.L. Petrenko
