## About criminal investigation in attack at Khabarovsk Territory Directorate of Federal Security Service and shooting range in Khabarovsk Territory

The Investigative Committee continues criminal investigation in attack on employees of the Khabarovsk Territory Directorate of the Federal Security Service and shooting range in Khabarovsk. The Investigators received information that the attacker is affiliated with the neo-nazi political views and professes hatred to people of other nationalities. The investigators doesn't have any evidence proving affiliation of the attacker with the international terrorist organization that took the credit for the attack.

Official spokesperson for the RF Investigative Committee S.L. Petrenko
