## St. Petersburg dentist charged with fraud

The Saint Petersburg Office of the Investigative Committee continues criminal proceedings against a dentist and founder of a company suspected of fraud under Part 3 of Article 159 of the RF Criminal Code.

The suspect has been charged with deceiving a 43-year-old local woman about the amount of dental services needed and pulled 22 healthy teeth and making poor-quality bridges. She got more than 843 thousand rubles for that.

The dentist has been released on recognizance and is now being checked on having been involved in similar crimes.
