## **In Omsk Region, probe finished against former official charged with exceeding authority**

The Omsk Region Office of the Investigative Committee has finished criminal proceedings against former deputy director of property management department of the Omsk administration Nikolai Kostyakov charged with exceeding authority under Part 1 of Article 286 of the RF Criminal Code.

According to investigators, in 2013, Kostyakov was coordinating the work of municipal property lease office of the property management department of the Omsk administration and failed to take steps to renew a lease contract for a municipal non-residential property of more than 1 thousand sq. meters in area located in a building in 10 let Oktyabrya in the town of Omsk used by a sole proprietor who had been letting it on sub-lease. As the lease contract between the town administration and the sole proprietor was not made in a proper manner, the town's budget did not get more than 11.8 million rubles.

The accused denied all the charges, prevented the investigation, but the investigators still have enough evidence against him, so the criminal case has been forwarded for the indictment to be signed and will then be referred to court.
