
Memorandum of Understanding signed with Anti-Corruption Commission of People's Republic of Bangladesh

The Investigative Committee of the Russian Federation and the Anti-Corruption Commission of the People's Republic of Bangladesh signed a Memorandum of Understanding on bilateral cooperation in countering corruption.

The Memorandum reflects the will and determination of the parties to strengthen, develop and extend their cooperation in the field of countering and combating corruption. The interaction will include exchange of information on countering corruption; sharing experience of detecting and suppressing offences in this area; organising of joint events, including workshops and scientific and practical conferences; and other measures.
