
Colonel of Financial Guard of Italian Republic lectures attendees of advanced studies of Moscow Academy of Investigative Committee of Russia

Today, Claudio Ramponi, the Colonel of the Financial Guard of the Italian Republic, presented a lecture to attendees of in-service training courses in the Moscow Academy of the Investigative Committee of the Russian Federation. In his speech accompanied by a slide show, he covered history, system, structure, competences, operational features, and those of international cooperation of the Italian Financial Guard.

The Italian specialist provided full and detailed answers to questions of the audience allowing it to obtain specific knowledge of combating crime in Italy.

Following the lecture, Acting Rector of the Moscow Academy of the Investigative Committee of the Russian Federation, Major General of Justice Anatoly Bagmet held a working meeting with Signor

Ramponi. They discussed teaching process in the Academy and particularly the forensic component of training of students and attendees of in-service training courses. Specific attention was given to matters of cooperation in education and science.
