
Alexander Bastrykin instructed to report on the progress of assessments in Kostroma and Nizhny Novgorod Regions

Mass media reported that passers-by saved three children from a burning apartment in Kostroma. In that, as noted, the parents locked the minors in the apartment unattended and might abuse alcohol. The Kostroma Regional Investigative Department of the Investigative Committee of Russia is carrying out a probe into this matter, under the framework of which living conditions of the children in the family will be inspected. Performance of prevention authorities that excluded the family from their register is also under assessment.

Apart from that, a federal channel broadcast utility issues of residents of several houses in Kulebasky District of Nizhny Novgorod Region. It was reported about the misappropriation of funds collected by residents of houses in order to pay for utilities, including current repairs. No repairs have been carried out in the houses so far. The Nizhny Novgorod Regional Investigative Department of the Investigative Committee of Russia has organized an assessment.

The Chairman of the Investigative Committee of Russia requested a report on the progress of pre-investigative assessments and put them under supervision of the Central Office of the Investigative Committee of Russia.
