
Alexander Bastrykin requests reports on a number of incidents in regions

The Chairman of the Investigative Committee of Russia requested a report on investigation of a probe into death of a minor in a 10-storey building under construction in Oktyabrsky district of Novosibirsk (Part 2 of Article 216 of the Criminal Code of Russia).

Apart from that, Alexander Bastrykin requested a report on a probe into infliction of death by negligence to a minor child as a result of falling of metal football goals (Part 2 of Article 109 of the Criminal Code of Russia) in the Republic of Crimea.

The Chairman of the Investigative Committee of Russia also requested a report on the progress of investigation of a probe into a 16-year-old resident of Bratsky District of Irkutsk Region accused of committing a murder of a teenager (Part 1 of Article 105 of the Criminal Code of Russia). Today the court granted the investigative motion to place the accused into custody.

Apart from that, Alexander Bastrykin requested a report on investigation of a probe launched into rendering of services that do not meet safety requirements for life and health of consumers in the Republic of Sakha (Yakutia) upon information that a waiter in Yakutask restaurant complex served a glass of antiseptic when a glass of water was ordered, and a 3-year-old child drank it.

The Chairman of the Investigative Committee of Russia also requested a report on progress of investigation of a probe into injuring of a 4-year-old boy in St. Petersburg as a result of being hit with an electric scooter ridden by a man born in 1992 (Part 1 of Article 118 of the Criminal Code of Russia).

Alexander Bastrykin requested a report on the progress of an assessment on the video spread in the media and social networks that recorded an employee of the state budgetary institution "Troitsk Orphanage for Mentally Retarded Children" in the Republic of Ingushetia using physical violence against a ward.

The Chairman of the Investigative Committee of Russia instructed the Central Office of the Investigative Committee to supervise the progress of the said probes and preliminary assessment.
