## **The Chairman of the Investigative Committee of Russia requests a report on investigation of a probe into death of a minister of Amur Region**

Earlier, the investigative authorities of the Investigative Committee of Russia in the Amur region proceeded to investigation of a probe initiated by the internal affairs authorities over the fact of the minister of digital development of the Amur region sustaining bodily injuries on July 17 this year in one of the resorts located in the suburbs of Blagoveshensk, after which he subsequently died in a medical facility.

At present investigators have detained a person suspected of the commission of this offense.

Alexander Bastrykin instructed the direction of the territorial investigative department to provide a detailed report on the circumstances of the criminal case and put the investigation under personal control.
