
The Chairman of the Investigative Committee instructed to report on a number of incidents with children in the regions and a bear attack on a group of tourists in the Krasnoyarsk Territory

The Main Investigative Department of the Investigative Committee of the Russian Federation for the Republic of Crimea and the city of Sevastopol is carrying out an inquiry based on materials from social networks into the fact of injuring of a child while playing on a trampoline in a children's park. The girl fell to the ground, not covered with a mat, having received a compression fracture of the spine, and is currently undergoing treatment. The investigating authorities will check the actions of the persons responsible for the installation and operation of the children's attraction, and further check its safety.

Also, the Altai Regional Investigative Department of the Investigative Committee of is investigating a probe into the attempted murder of a 3-month-old girl, committed by her own mother. With injuries, the child and the woman were hospitalized in a medical facility. Investigators are

establishing the circumstances and motives of the incident.

In addition, the Krasnoyarsk Regional Investigative Department of the Investigative Committee of Russia is checking on the fact of an outbreak of coronavirus in the children's sanatorium and recreation camp "Republic Solnechnaya" in the Berezovsky district.

The Chairman of the Investigative Committee instructed the heads of the investigative departments to report on all the circumstances of violations of children's rights and put the course of the investigation of the criminal case and the results of checks under supervision of the Central Office of the Committee.

Also in the field of view of the head of the Russian IC came an incident with tourists in the Krasnoyarsk Territory, who were attacked by a bear. Alexander Bastrykin instructed the direction of the Main Investigative Department of the Investigative Committee of Russia for the Krasnoyarsk Territory and the Republic of Khakassia to report about the verification carried out on this fact. As part of the check, the regional investigation department will assess the actions of the responsible persons of the KGBU "Directorate of the Ergaki Natural Park", who allowed tourists to stay in the forest having the information about earlier incidents of predatory animals attacking people.
