

## Alexander Bastrykin puts under supervision a number of incidents in regions

The Chairman of the Investigative Committee of Russia requested a report on the progress of pre-investigative inquiry into an incident in Perm Territory where a local citizen didn't wait for an ambulance and died. The relatives of the victim contacted the Committee through mass media with a request to sort the situation out. The progress and results of the probe are under supervision of the Central Office of the Committee.

Alexander Bastrykin also requested a report on circumstances of beating of a family of a female paramedic who forbade the shop assistant to go to work due to his violation of epidemiological rules.

The Chairman of the Investigative Committee of Russia instructed the heads of investigative departments for Perm Territory and Novosibirsk Region to report on circumstances and causes that entailed violation of rights of citizens and to take measures to restore them.
