
The Chairman of the Investigative Committee of Russia requests a report from the direction of the St. Petersburg Main Investigative Department of the Investigative Committee of Russia on possible illegal activities against a minor

Upon information posted by a number of mass media sources on possible illegal actions against a minor child in St. Petersburg, the Chairman of the Investigative Committee of Russia requested a report from the direction of the regional investigative department.

According to journalists, a woman reported to law enforcement activities about an offense against sexual integrity of her daughter, committed by her cohabitant when the girl was 5 years old.
