## **The Chairman of the Investigative Committee of Russia Alexander Bastrykin gives a number of instructions to regional units**

Chairman of the Investigative Committee of Russia instructed the head of the Investigative Department of the Investigative Committee of the Russian Federation in the Astrakhan region I.Sh. Mogushkov to report on the progress of the investigation into the fact that a local resident was injured in the pool of one of the hotels in the city as a result of the pump malfunction. During the inspection it was found that a local resident was in the pool at the hotel in the Leninsky district of Astrakhan, due to a faulty pump the girl was pulled to the side of the pool, and therefore she was injured in the abdominal area. The progress of the inspection is under supervision of the Central Office of the Investigative Committee.

In addition, the Chairman of Investigative Committee of Russia instructed the head of the Investigative Division of the Investigative Committee of the Russian Federation in the Ryazan region Nikeshkin V.A. to report on the investigation and search activities on the case of disappearance of a Ryazan resident, born in 1995 (Part 1 Article 105 of the Criminal Code of Russia). During the preliminary investigation found that on July 25, 2021 the girl left home to a store and did not return, she did not get in touch with relatives, and her phone is off. Currently, a complex of investigative actions and operational-search activities are carried out. The progress of the investigation is under control of the central office of the Investigative Committee.
