
The Chairman of the Investigative Committee of Russia requested reports on probes related to a murder of entrepreneur and a prison breakout in Moscow Region

The Chairman of the Investigative Committee of Russia requested from the head of the Moscow Main Investigative Department of the Investigative Committee of Russia A. Yu. Starikov on the progress of investigation of a prison breakout of 5 prisoners from Istra temporary isolator and on relevant results of investigation into a murder of an entrepreneur.

Thus, in one of the television programs different versions of the committed crimes were expressed, and it was reported about possible additional episodes of criminal activity of the defendants.

The head of the department instructed the investigators of the regional investigative department to promptly check all the arguments presented in the program.
