
The head of the Investigative Committee of Russia requests reports on situations related to injuring of a child in Moscow and possible violation of rights of children in the Republic of Bashkortostan

The Chairman of the Investigative Committee of Russia instructed the head of the Moscow Main Investigative Department of the Investigative Committee of Russia A. A. Strizhov to report on circumstances of an incident that resulted in an injury of a 3-year-old boy. The boy was hit by a woman on a scooter. At present the boy is in a hospital for stationary treatment.

Apart from that, the attention of the head of the Committee was focused on the situation in Sterlitamak. The residents of a residential building there protested against placement of a center for children with disabilities in their home. Upon instruction of the Chairman of the Investigative Committee of Russia the head of the investigative department Chernyatye D. N. is to report on the situation and on possible ways of its settling.
