
The Chairman of the Investigative Committee of Russia requested reports on violation of rights of children in a number of regions

The Chairman of the Investigative Committee of Russia instructed the head of the Moscow Main Investigative Department of the Investigative Committee of Russia Strizhov A.A. to report on the information about humiliation of children in a Moscow kindergarten that drew the attention of mass media.

In addition, the head of the Committee instructed the head of the Irkutsk Regional Investigative Department of the Investigative Committee of Russia Sitnikov A.V. to report on the progress of the check on the information from the media about violation of the rights of orphans in Angarsk. As reported in the media, housing built under the programs of resettlement of orphans and resettlement from dilapidated housing does not have its own heating system and is connected to a private heating system. It is noted that citizens may be left without heat in winter.

The Chairman of the Investigative Committee of Russia instructed the Head of the Main Investigative Department of the Investigative Committee of Russia for the Republic of Crimea and Sevastopol V.N. Terentyev to report on the situation in the social center "Our House" for children in Sevastopol. The media reported about the violation of children's rights in this institution and committing illegal actions against them.

The progress of fulfillment of the instructions is under supervision of the Central Office of the Investigative Committee.
