
The Chairman of the Investigative Committee of Russia requests reports on a number of incidents with children and violation of their rights

The Chairman of the Investigative Committee of Russia instructed the head of the Nizhny Novgorod Regional Investigative Department of the Investigative Committee of Russia A.S. Akhmetshin to report on the progress of the investigation into the fact of finding signs of light burns on students at the state educational institution "Nizhny Novgorod Cadet School". At present, investigators of the Investigative Committee of Russia are establishing all circumstances of the incident. The progress of the assessment is under the supervision of the Central Office of the Investigative Committee of Russia.

Apart from that, the head of the Committee instructed the head of the Irkutsk Regional Investigative Department of the Investigative Committee of Russia Sitnikov A.V. to report on the progress of

investigation of a probe into attempted murder of minor (Part 3 of Article 30, Paragraphs C, F, G of Part 2 of Article 105 of the Criminal Code of Russia). On 7 September the suspects, acting as a group of persons by prior conspiracy, drove a car to the parking lot of the building. The man got out of the above-mentioned car, poured flammable liquid on the parked car in which there was a 6-year-old girl, and fled the scene. The intent of the suspects was not completed due to circumstances beyond their control, because the minor, seeing the fire, was frightened and ran out of the car. The Chairman of the Investigative Committee of Russia also instructed to report on the measures taken to identify and arrest the suspects. The progress of investigation is under the supervision of the Central Office of the Investigative Committee of Russia.

The Chairman of the Investigative Committee of Russia instructed the head of the Saratov Regional Investigative Department of the Investigative Committee of Russia Govorunov A.Yu. to report on the progress of the verification of information from the media about the emergency building of a kindergarten in Rovensky district. The media reported that kindergarten No. 11, located in the village of Lugovskoye, Rovenskoye municipal district of Saratov region, is in an emergency condition, but the authorities remain inactive. The progress of the assessment is under the supervision of the Central Office of the Investigative Committee of Russia.

In addition, the head of the Committee instructed the Main Investigative Department to report on the progress of the investigation and the preliminary results of the criminal case into the death of actor Vladimir Konkin's daughter.
