
The Chairman of the Investigative Committee of Russia requested reports on measures aimed at restoration of violated rights of orphan children in Kaliningrad Region

On February 5, 2021 the Kaliningrad Regional Investigative Department of the Investigative Committee of Russia organized a procedural check on the fact of allocation in Dolgorukovo settlement of Bagrationovsky district to several orphans uninhabitable housing with cracked walls and collapsing ceilings. The Chairman of the Investigative Committee of Russia put the progress of the check under supervision of the Central Office. Based on the results of the inspection, a criminal case was initiated under Article 293 of the Criminal Code of Russia against employees of the State Budgetary Organization "Department for Formation of State Real Estate Objects".

In connection with the appearance in the media of information about the aggravation of this situation and about the intention to relocate orphans to even worse conditions, the Chairman of the Investigative Committee of Russia instructed the head of the Kaliningrad Regional Investigative

Department of the Investigative Committee of Russia Bocharov D.A. to report on the progress of the investigation of this criminal case, as well as on the measures taken by the investigation aimed at restoring the violated rights of orphans.

The progress of fulfillment of the instruction is to be supervised by the Central Office of the Committee.
