
The Chairman of the Investigative Committee of Russia instructed to report on the progress of the inspection on the fact of a traffic accident in the Tambov region, as a result of which people were killed and injured

The Chairman of the Investigative Committee of the Russian Federation instructed the head of the Tambov Regional Investigative Department of the Investigative Committee of Russia A.N. Polshakov to report on the progress of the inspection on the fact of an accident in the Tambov region, as a result of which people were killed and injured.

On September 20, 2021, in the morning at the 505th kilometer of the P-22 federal highway in the Sampur district of the Tambov region, a road accident occurred - a head-on collision of a Hyundai H1 minibus and a Honda Accord car. As a result of the road accident, 3 people died, several more people received various bodily injuries and were hospitalized in medical institutions. Data on the

personalities of the dead and injured are being specified.

At present, investigators continue to inspect the scene of the accident, as well as carry out other procedural actions aimed at establishing all the circumstances of the accident. Measures are being taken to establish the owner of the minibus, to obtain information and documentation on the technical condition of the vehicle and the conditions of transportation of people. Upon instruction of the Chairman of the Investigative Committee of Russia the progress of the audit and its results were put under supervision of the Central Office of the Committee.
