
The Chairman of the Investigative Committee of Russia requested a report on an attack on medical staff in the Republic of Bashkortostan

In the course of media monitoring a report was revealed about an attack on a toxicologist of Ufa City Clinical Hospital No. 21 and an ambulance doctor of the Republican Ambulance Station by an intoxicated patient, which resulted in bodily injuries to the medical staff. The Bashkortostan republican Investigative Department of the Investigative Committee of Russia is conducting an initial inquiry into the incident.

The Chairman of the Investigative Committee of Russia instructed the Head of Investigative Committee of Russia for the Republic of Bashkortostan D.N. Cherniyayev to submit report on the conducted investigative activities. The progress of the inquiry is under supervision of the Central Office of the Investigative Committee.
