## **The Chairman of the Investigative Committee of Russia requests a report on the progress of investigation of a probe into infliction of death to a 38-year-old man in the Republic of Bashkortostan**

The investigation of the criminal case against a resident of Meleuz, Bashkortostan Republic, for committing a crime under part 4 of article 111 of the Criminal Code (intentional infliction of grave injury to health, resulting in the death of the victim by negligence) was discussed on a federal TV channel.

According to investigators, at night of August 4-5, 2021 a 29-year-old man was drinking alcohol with the victim in the workshop of the latter. During the drinking there was a quarrel between the two men, during which the guest struck the master of the workshop with his hands and feet on the head and other parts of the body, the man died from his injuries.

In connection with the facts voiced in the media Alexander Bastrykin instructed the Head of the
