
The Chairman of the Investigative Committee of Russia puts under supervision the progress of assessment into a road conflict in the Krasnodar Territory

The media published information about the incident that took place on September 28 near the railway crossing in the Industrialniy settlement in Krasnodar. A Bentley car and a premium SUV were driving along the roadside. The driver of the domestic car did not let the intruders pass. Consequently, two men got out of the SUV and caused bodily injuries to the driver.

The materials of the check-up on this fact were withdrawn from the police and transferred for further investigation and comprehensive verification to the investigative authorities of the Investigative Committee of Russia.

The Chairman of the Investigative Committee of Russia A.I. Bastrykin instructed the Head of Investigation Committee in Krasnodar Krai Maslov A. K. to report on the progress of the check, identify the participants in the conflict and give their actions a principled legal assessment.

The progress of the check is under supervision of the Central Office of the Investigative Committee.
