
The Chairman of the Investigative Committee of Russia requests a report on the situation with residential development of green zones in the Republic of Bashkortostan

The media published a video message from residents of the city of Ufa to the Chairman of the Investigative Committee of Russia, in which they asked to pay attention to the illegal, in their opinion, development of residential areas in the city's green zones without holding public hearings.

On this fact, the investigative bodies of the Bashkortostan Republican Investigative Department of the Investigative Committee of Russia are conducting a procedural check. In the near future, the investigators will receive an initiative group of citizens.

Chairman of the Investigative Committee of Russia Alexander Ivanovich Bastrykin instructed the head of the Bashkortostan Republican Investigative Department of the Investigative Committee of Russia D.N. Chernyatyeв to carefully study all the arguments of citizens and report on the verification activities carried out.

The progress of the check was put under supervision of the Central Office of the Investigative

Committee of Russia.
