## **The Chairman of the Investigative Committee of Russia instructs to work out the situation with incomplete payment of wages to employees of a mining company in the Transbaikal Territory**

On October 14, 2021, information appeared in the media that employees of the Darkhan mining company were partially unpaid their salaries. According to the media, today the employees of the mining company went on strike in the village of Zolotorechensk in the Olovyaninsky district. Investigators of the Investigative Department of the Investigative Committee of Russia for Transbaikal Region went to the site and an inspection was organized.

Alexander Bastrykin instructed the head of Investigative Department of the Investigative Committee of Russia for Transbaikal Territory Rusanov Y.S. to report on the progress of verification activities.

The progress and results of the inspection were put under supervision of the Central Office of the
