## **The Chairman of the Investigative Committee of the Russian Federation orders report on violations of minors' rights in the Stavropol Territory**

It was reported in the media that in the town of Kislovodsk in the Stavropol region, the stepfather had beaten and abused his underage stepchildren. The investigators have requested that the materials of the investigation initiated in this probe be transferred to the Interior Ministry.

The Chairman of the Investigative Committee of Russia ordered Ivanov I.I., the head of the Stavropol Territorial Investigative Department of the Investigative Committee of Russia, to report about circumstances of the accident. If materials are handed over, the process of the pre-investigative probe is under the supervision of the Central Office of the Investigative Committee.
