
The Chairman of the Investigative Committee of Russia requested a report on the progress of investigation of a probe into partial collapse of a residential building in the Republic of Tatarstan

On October 25, 2021, in one of the five-story apartment buildings in the 48th complex in Naberezhnye Chelny, the fourth and fifth floor slabs collapsed as a result of a gas explosion. Data on the victims is being clarified.

The Tatarstan Republican Investigative Department of the Investigative Committee of Russia initiated criminal proceedings under Article 238 of the Criminal Code (performance of work or provision of services that do not meet the safety requirements of life or health of consumers).

Investigators are currently conducting an inspection of the scene. Other investigative actions are conducted aimed at establishing all the circumstances of what happened.

The Chairman of the Investigative Committee of Russia instructed the head of the Tatarstan Republican Investigative Department of the Investigative Committee of Russia Lipsky V.A. to report on the incident.
