
The Chairman of the Investigative Committee of Russia requested a report on the investigation of the criminal case into substandard medical services in Vladivostok

A federal TV channel aired a story about a girl from Primorsky Territory who claimed her health was harmed while undergoing medical procedures at a private dental clinic in Vladivostok. Investigative agencies of Investigative Committee of Investigative Committee of Russia for Primorskiy krai are investigating a probe into this matter under Article 238 of Russian Criminal Code (rendering of services do not meet safety requirements). The necessary examination is currently underway.

The Chairman of the Investigative Committee of Russia instructed the Head of the Primorsky Regional Investigative Department of the Investigative Committee of Russia Fomin V. V. to report on the progress of the criminal investigation.
