
The Head of the Investigative Committee of Russia requests a report on circumstances outlined in the appeal of public representatives of the Tyumen Region

In connection with the published appeal of public representatives of the Tyumen region to the leadership of the Investigative Committee of Russia, the head of the Committee instructed the acting head of the Tyumen Regional Investigative Department of the Investigative Committee of Russia Askhabov A.M., to report on all the circumstances set forth in the appeal.

As the media reported today with reference to the public association "People's Control", the Tyumen Regional budget was damaged on a particularly large scale, while law enforcement agencies remain inactive.
