## **The Chairman of the Investigative Committee instructs to report on investigation of a number of past crimes in Tatarstan**

Following the publication in the media of a number of unsolved murders from previous years which were being investigated by the Tatarstan Republican Investigative Department of the Investigative Committee of Russia, the Head of the Investigative Committee of Russia instructed V.A. Lipsky, the Head of the Investigative Department, to report on all the criminal cases mentioned in the article, the investigation of which was supervised by the Central Office on behalf of the Chairman of the Investigative Committee of Russia.
