
The Chairman of Investigative Committee orders report on circumstances of attack on environmental inspector in Yaroslavl region

The Chairman of the Russian Investigative Committee has instructed A.M. Sobolev, Head of the Yaroslavl Regional Investigative Department, to report on the circumstances of the brutal beating of a public environmental inspector from Rostovsky District, Yaroslavl Oblast, in front of a young girl.

The regional Investigative Department is currently applying for the transfer of the materials from the Interior Ministry to the Investigative Department.
