## **The Chairman of the Investigative Committee of Russia requests a report on circumstances of wounding of a woman and her son in Moscow**

The media reported today that a woman and her adult son sought medical attention with various injuries in South Butovo, Moscow. It is noted that the wounds were allegedly sustained from a traumatic gun as a result of the father's careless handling of weapons.

The Chairman of the Investigative Committee of Russia instructed the Head of the Moscow Main Investigative Department of the Investigative Committee of Russia A. Strizhov to report on the circumstances of the injuries of the woman and her adult son.
