
The Chairman of the Investigative Committee of Russia ordered to report on the situation with the resettlement of citizens from an emergency house in the Perm Region

Social networks published an appeal from residents of an emergency building in Perm, who complain about living in unsuitable and dangerous conditions in the inaction of local authorities. It is noted that the house was declared emergency in 2019 and is subject to resettlement by the end of 2025.

In this regard, the Chairman of the Investigative Committee of Russia instructed the Acting Head of the Perm Regional Investigative Department of the Investigative Committee of Russia D. S. Anashchenko to report on the situation.

The progress of the implementation of the instruction is under supervision of the Central Office of

the Investigative Committee.
