
The Chairman of the Investigative Committee of Russia instructed the heads of investigative departments to report on the progress and results of assessments

The media published information that in Chelyabinsk a center for providing medical services to pensioners continues to operate, in which the staff, as noted, profiteers on elderly patients by offering loans that older people have to pay for the rest of their lives. The Chelyabinsk Regional Investigative Department of the Investigative Committee of Russia is checking this fact.

The Chairman of the Investigative Committee of Russia instructed the head of the Chelyabinsk Regional Investigative Department of the Investigative Committee of Russia Reshetnikov P.G. to submit a detailed report on the progress of the pre-investigation.

Earlier in Internet there was also published information that the inhabitant of St. Petersburg being on a playground of one of apartment complexes, tried to throw out from a playground children with developmental features who supposedly frightened her child, and was speaking to children in a rough manner.

The St. Petersburg Investigative Department of the Investigative Committee of Russia carried out an assessment into this matter.

The Chairman of the Investigative Committee of Russia Alexander Ivanovich Bastrykin instructed the Acting Head of the Main Investigative Department of the Investigative Committee of Russia for St. Petersburg Alexander D. Golombievsky to report on the progress and results of the procedural investigation.

The progress of implementation of these instructions has been placed under supervision of the Central Office of the Investigative Committee.
