
In relation to appeals to the Chairman of the Investigative Committee of Russia, the reports will be presented by heads of regional investigative departments

Information about a fight between minors in Moscow region was published in social networks. It was noted that on November 13, 2021 in Pushkin, two young men inflicted bodily injury on a 17-year-old teenager.

The Moscow Regional Investigative Department of the Investigative Committee of Russia immediately organized an investigation into the incident.

Also on the Internet there was a publication that a criminal group is operating in the Primorsky region, while law enforcement officials are inactive. The Primorye Territorial Investigative Department of the Investigative Committee of Russia is investigating probes into these facts, investigation into some of them has already been completed.

The Chairman of the Investigative Committee of Russia instructed the head of the Investigative

Committee of Russia for Moscow Region A. Starikov and the head of the Investigative Committee for Primorsky Territory V. Fomin to report on the progress of the inspection and investigation of criminal cases.

20 November 2021
