
The Chairman of the Investigative Committee of Russia requests a report on the verification measures organized on the materials of the media about the bullying of a schoolgirl in the Novosibirsk Region

The Chairman of the Investigative Committee instructed the Acting Head of the Investigative Department for Novosibirsk region Badulin A.N. to report on the progress of the investigative inspection organized in connection with the materials in the media about systematic bullying by peers of a schoolgirl in one of the schools in Novosibirsk Region.

The media reported that a schoolgirl in the city of Toguchin, Novosibirsk region, had been subjected to aggression by other students for three years. In addition, the report stated that "violent games" resulted in the injury of the girl. The investigator is conducting activities aimed at establishing all the circumstances and causes of what happened. In the course of verification the inaction of officials of the educational institution will be assessed.

The progress and results of the inspection are under control of the supervision of the Central Office of the Investigative Committee of Russia.
