
In connection with the appeal to his name, the Chairman of the Investigative Committee of Russia ordered to report on the progress of the investigation into the injury of a minor girl in a family recreation park in Krasnoyarsk

A video was published in the media, in which it was shown that in a family recreation park in Krasnoyarsk, while playing on a slide with a rope, a little girl was injured as a result of a rope entanglement around her neck.

The Investigative Department of the Investigative Committee of Russia for the Krasnoyarsk Region and Khakassia is conducting an investigation into this matter, checking whether the services did not meet the safety requirements of life and health of consumers.

Alexander Bastrykin instructed Acting Head of the Investigative Department of the Investigative Committee of Russia for the Krasnoyarsk Region and the Republic of Khakassia Zyubanov A.G. to

report on the progress and results of the investigation and put it under supervision of the Central Office of the agency.
