## **The Chairman of the Investigative Committee of Russia requested a follow-up report on the complex of investigative actions in the criminal case of the death of a student in the Ivanovo Region**

A media source published the opinion of the mother of the girl who died in March 2021, on whom a piece of the facade collapsed from the building of one of Ivanov's universities. The woman believes that the investigators did not bring to justice all those responsible for the tragedy and plans to appeal to the head of the Investigative Committee.

The Ivanovo Regional Investigative Department of the Investigative Committee of Russia have now completed the investigation into the criminal case opened on the death of the girl, and it has been sent for signing the indictment. The director of the administrative and economic services of the Ivanovo Polytechnic University was charged under Part 2 Article 293 of the Criminal Code.

The Chairman of the Investigative Committee instructed the head of the Ivanovo Regional Investigative Department of the Investigative Committee of Russia Samodaikin V.V. to submit a repeated report on the complex of investigative actions conducted within the criminal case and the collected evidence base.
