
Chairman of the Investigative Committee of Russia Ordered to Send Probe Materials on Demolition of the Uktus Air Terminal in Yekaterinburg to the Central Office

Upon examination of the report on the probe into mass media claims regarding demolition of the Uktus air terminal, Chairman of the IC of Russia ordered to send materials of the probe carried out by the regional department of the IC of Russia for Sverdlovsk Oblast to the Main Investigative Department for a procedural decision to be made.

Earlier, Chairman of the IC of Russia was informed of the progress in the probe and decisions made by the investigative authorities over alleged unlawful acts of officials of certain public oversight authorities relating to demolition of the air terminal.
