
The IC of Russia Has Checked New Facts of Projectiles Hitting the Territory of Rostov Oblast as a Result of Incessant Shelling from the Territory of Ukraine

The Main Investigative Department of the Investigative Committee of the Russian Federation has initiated a criminal case on the fact of damage to two households in settlements on the territory of Rostov Oblast as a result of shelling from the territory of Ukraine.

According to the investigation, on February 19, 2022, in the afternoon, unidentified persons, while on the territory of Ukraine, used a multiple launch rocket system to shell the border area of Tarasovsky Raion of Rostov Oblast, as a result of which one non-inhabitant house in Manotsky Khutor and one outbuilding of a non-inhabitant house in Patronovka Khutor were completely destroyed. There are no civilian casualties.

A criminal case was initiated on this fact on the grounds of a crime under Part 3, Article 30, part 2, Article 105 of the Criminal Code of the Russian Federation (attempted murder in a socially dangerous way).
