
Chairman of the IC of Russia Instructs MID of the IC of Russia to Investigate All Cases of Military Attacks on Donbass Residents

The media report a significant increase in the number of attacks in Donbass. Their number on the part of the Ukrainian military forces has almost doubled.

According to the representative of the People's Militia of the Lugansk People's Republic, 114 cases of ceasefire violations have been recorded. 29 settlements of the republic have been fired at. The Armed Forces of Ukraine uses mortars, artillery, and infantry fighting vehicles. There are civilian casualties.

Chairman of the IC of Russia Alexander Ivanovich Bastrykin instructed the Main Investigative Department of the IC of Russia to record all cases of military attacks on Donbass settlements and thoroughly investigate all criminal actions of the AFU in the LPR and DPR.
