
Chairman of the IC of Russia Demands a Repeated Report on the Death of Nurses

The Chairman of the IC of Russia has instructed M.V. Mokshin, the head of the investigative department of the Investigative Committee of the Russian Federation for the Khanty-Mansiysk Autonomous Okrug – Yugra, to re-report on the checks made and the progress of the criminal investigation into the deaths of nurses in October and December 2021 in one of the medical institutions.

Earlier, an appeal by an employee of the Surgut Trauma Hospital was posted in the media; she turned to the officials of the IC of Russia with a request to unbiasedly investigate the causes and conditions that had contributed to the death of two nurses.

The progress and results of the investigation of the criminal case were put under control by the Chairman of the IC of Russia in the Central Office of the IC.
