
Head of the IC of Russia Instructs Officials to Investigate New Facts of Shelling of the Border Territories of the Russian Federation by the Ukrainian Military

The media reported that three people were injured as a result of the shelling of Dolzhanskaya Stanitsa in Krasnodar Krai by the Armed Forces of Ukraine. The wounded residents of Dolzhanskaya Stanitsa were hospitalized. Also, it is reported that three mines, also fired from the territory of Ukraine, fell in Millerovsky Raion of Rostov Oblast. According to preliminary reports, there were no casualties as a result of the shelling.

The Chairman of the Investigative Committee instructed the investigators of the Main Investigative Department of the IC of Russia to establish all the circumstances of the incidents as part of criminal cases.
