
On Chairman of the IC of Russia's Orders, Investigators Will Check Information on Upcoming Attack of Ukrainian Military and Nationalists on Crimea and Donbass

Today the authorities of the Donetsk People's Republic reported that during a special operation, documents were found at the headquarters of Ukrainian radicals indicating the military and nationalists' headquarters to attack Crimea and Donbass on March 8 of this year.

Alexander Ivanovich Bastrykin instructed the investigators of the Main Investigative Department of the IC of Russia to verify this information, as well as to carry out other measures in order to decide on initiating a criminal case.
