
Chairman of the Investigative Committee of Russia Ordered to Report on Circumstances of People Injury in a Utility Accident in Rostov-on-Don

Chairman of the Investigative Committee ordered A. G. Khuade, Head of the Investigative Department of the IC of Russia for Rostov Oblast, to report on circumstances of injuries people suffered from a utility accident in Rostov-on-Don, following which the regional investigative department opened a pre-investigation probe.

According to the preliminary reports, on the night of 21 March 2022, there was a burst of the main next to an apartment block in Malinovskogo Street in Rostov-on-Don, damaging windows of apartments on the 3rd and 4th floors and residents suffered burns of different degrees. All injured persons were taken to hospital to receive medical aid. The investigators have inspected a scene of the accident, questioned witnesses and are currently conducting other necessary inspections and probes.

The probe progress and results are monitored by the Central Office of the IC of Russia.

21 March 2022
