
Chairman of the IC of Russia Instructs to Investigate Circumstances of Ukrainian Shell Hitting Belgorod Oblast Territory

Today Belgorod Oblast authorities have reported that as a result of a hit of shell launched from the direction of Ukraine, people were injured in the area of Zhuravlyovka and Nekhoteyevka settlements. Their number and degree of bodily harm are being clarified.

Chairman of the IC of Russia Alexander Ivanovich Bastrykin instructed the investigators of the Main Investigative Department of the IC of Russia to document this shell hit on the Belgorod Oblast territory and thoroughly investigate the circumstances of the incident, taking exhaustive measures to identify all the perpetrators.
