
Chairman of the IC of Russia Instructs to Establish Circumstances of New Attacks on Civilians Trying to Leave Mariupol

Chairman of the Investigative Committee of the Russian Federation A. I. Bastrykin has instructed the Main Investigative Department to establish the circumstances of new instances of firing at civilians in Mariupol, as a result of which 1 person was killed, dozens were injured.

The People's Militia of the DPR reports that civilians are trying to leave the city of Mariupol, but the Armed Forces of Ukraine and national battalions fire at them. As a result, just over the past day, one person was killed, while 44 people, including three children, were injured.

A. I. Bastrykin has instructed the investigators to collect and document the evidence and to identify all persons involved in the deed in order to subsequently bring them to justice.
