
Head of the IC of Russia Instructs Officials to Investigate the Calls of the Mayor of the City of Dnepr to Kill Russians Around the World

The Chairman of the IC of Russia has instructed the Main Investigative Department of the Investigative Committee of the Russian Federation to initiate a criminal case and give a legal assessment of the statements made by B. Filatov, the mayor of the city of Dnepr.

B. Filatov published a post on a social network banned in Russia with calls to kill Russians around the world.

The Main Investigative Department of the Investigative Committee of Russia has been instructed to initiate a criminal case and carry out the entire range of necessary investigative actions.
